Dear (Name):

On Monday, February 27, 2006, the El Segundo Educational Foundation will host its biennial fundraiser at McCormick & Schmick's Seafood Restaurant to enhance educational funding for the children of El Segundo. This event represents the cornerstone of our 2005-2006 \$300,000 fundraising campaign, "Fostering Excellence in Education." Along with great food and live entertainment, guests will be able to participate in our popular silent auction and raffle opportunities.

The success of this event will be measured, in large part, by the generosity of our business community.

We hope that we can count on you and your firm to make a cash contribution and/or to provide items for our auction and raffle!

Over the years, the El Segundo Educational Foundation has granted more than \$1.75 million to El Segundo's public schools. With your help we can continue to make a positive impact on the lives of each and every child in our schools and push the Foundation's contributions to the ESUSC to over the \$2 million level.

We love to acknowledge our supporters! In return for your contribution, your name, or your company's name, will be displayed at the event, and featured in our "Thank You" ads and in our widely distributed annual report.

Please contact Cristina O'Brien at 310.640.1520 x212 for more information or simply fill out the contribution form and fax it to her at 310.414.9279.

The El Segundo Educational Foundation and the children of El Segundo thank you. Your support makes a difference!

Sincerely,

Richard C. Lundquist
Chairman
